Ahmed Nasser

Thank you for considering my re-election to the HOA Board. Since joining in 2022, I've been committed to ensuring homeowners' concerns are heard and addressed. As a parent of two young boys and someone who works from home, I'm passionate about contributing positively to our community. My background in Business Operations and Strategic Planning, along with my experience as a Parish Councillor in England and a Pharmacist, has provided me with a unique skill set. These roles have strengthened my ability to make thoughtful, informed decisions, manage complex situations, and collaborate with diverse groups to achieve common goals.

I understand the concerns many homeowners have regarding landscaping, and I share your desire for our neighborhood to look its best. I am committed to working closely with landscaping teams, gathering input from homeowners, and finding practical solutions that balance aesthetics with budgetary constraints. I will continue to advocate for improvements to enhance both the appearance and appeal of our community.

Transparency in budgeting is critical for making informed decisions about our community's improvements. I am committed to ensuring that our budgets are transparent and accessible to all homeowners, with clear communication on how resources are allocated. I consistently ask the tough questions in meetings to make sure that we are spending responsibly and in the best interest of the community. Homeowners' feedback on where we invest our resources is always valued and important to me.

I take our commitments to the community seriously, and I'm proud to be part of a team dedicated to supporting the long-term success of our neighborhood.
